

EC-Conformity Declaration

For the following equipment	₫	
Product Name: DC to AC Po	ower INVERTER	
Model Designation: A30x-y (x=1, 2; y=100, 150)		
is herewith confirmed to con applied : Low Voltage Directive (2 EN 60950-1:2006+A11:2009		Directive, the following standards were
Committee Total Carlottee	atibility Directive(2004/108/EC):	
EMI (Electro-Magnetic Inte Radiated emission		ss B
EMS (Electro-Magnetic Su	sceptibility)	
EN 61000-6-1:2001		
ESD air	EN 61000-4-2:1995+A1:1998+A2:2001	Level 3 8KV
ESD contact	EN 61000-4-2:1995+A1:1998+A2:2001	Level 2 4KV
RF field susceptibility	EN 61000-4-3:2006+A1:2008	Level 2 3V/m
will be affected by the comple	as a component that will be operated in combination wi te installation, the final equipment manufacturers must n these EMC tests, please refer to TDF (Technical Docu	re-qualify EMC Directive on the complete
