

Power Source Plastic ABS Enclosures

Features:

- The Power Source PBOX ABS plastic enclosures are a cost-effective solution that are easy to customise and load with equipment.
- The sides and lid are ideal for printing and labelling
- The grey ABS plastic is resistant to many chemicals, offering IP66 ingress protection and is flame-retardant to UL94-V2.
- With an impact rating IK-08 and using UV stabilised materials, the range has many sizes to suit general industrial applications.
- Talk to Power Source about your customisation requirements
- Comes with a plastic insert ; however a metal insert can be purchased separately
